Sublime "Stories, Tales, Lies & Exaggerations-Collector's Edition" includes all NEW features!

This film is told by the Skunk family about the band. It includes never-before-seen live footage documenting the years of empty venues, backstage antics, Mexico surf sessions, Opie's tattoos, & more.

This collector's edition includes 5.1 Surround sound audio, Director's Commentary with great insight into the making of this documentary, 3 rare and uncut interview sections with the entire band from the KROQ Weenie Roast, Saturday Morning Cartoons recording sessions, and the 1995 Warped Tour.

Other special features include a Ron Jeremy interview and the lost Steppin' Razor Video

- Extensive street marketing!
- Flyer campaign tied in with Slightly Stoopid, Pepper and Ziggens tour!
- Sublime has SoundScanned well over 10 million units historically!
